

SUMMER AT SACS

SUMMER 2023

**FUN AND ENGAGING CAMPS FOR ALL AGES
AND INTERESTS!**

REGISTRATION AND PAYMENT INFORMATION

Our mission

San Antonio Christian School partners with families to provide students a Christ-centered education while fostering a life of faith and service.

How to register

Summer camps and courses may be registered and paid for online by clicking either the course **title** OR the **individual week/session** if applicable within the course description. Registration will be on a first-come, first-served basis. We reserve the right to cancel any class that is under-subscribed.

Refund Policy

Refunds are made only in the event that a course is canceled, or, in the case of a withdrawal for illness, 75 percent of the course fee will be refunded.

What's inside

To help you locate courses appropriate to your child's age, we've organized the courses into the following categories:

- Elementary
- Secondary
- Athletics

Dress code

Summer is a time to dress casually. However, we expect modest attire. Shorts should be fingertip length or longer and shirts should cover the midriff. Tank tops, sweatpants and sandals are not allowed.

COURSE CALENDAR

Here's an easy-to-follow calendar, showing all the summer classes week by week. You can find full course descriptions, days/times and fees for each course on pages 5-13.

ELEMENTARY camps are based on the grade level your student just COMPLETED.

Important note: If a student is attending a 10:00-12:00 session and a 1:00-3:00 session on the same day, he/she may bring a lunch and stay on SACS campus in between sessions. Your student will be taken to his/her afternoon session by camp staff. Please send your student with a water bottle and healthy snack every day.

****All Camps run Monday-Thursday with Fridays off.****

Building Blocks

Week 1-July 10-13, M-Th, 8:30 am – 11:30 am

Completed Grades: 5th

Location: Pick up and Drop off MS Circle

Fee: \$200

Week 1 we will focus on building our social relationships and reasonability at the MS level. Students will work on communication and interpersonal skills with one another through guided lessons and be given useful training on planners and note taking skills. We will explore how the scriptures show us a personal Lord and Savior and the need for us to be engaged with those around us. Outside the class we will be doing team building exercises and activities to familiarize students with SACS locations of important areas.

Instructor: Anthony Argueta and Joshua Wagner

Week 2-July 17-20, M-Th, 8:30 am – 11:30 am

Completed Grades: 5th

Location: Pick up and Drop off MS Circle

Fee: \$200

Week 2 students will go through the daily success strategies of Middle school. Organization and time management will be the focus. Walking through simple tasks such as school locker management and balancing homework loads, while learning how to properly communicate with teachers and peers via email. We will have competitions highlighting these areas while studying scriptures on the need to have faith and peace in our daily lives to help combat stress and anxiety. Outside we will do larger group games teaching simple skills in various sports we offer at SACS.

Instructor: Anthony Argueta and Joshua Wagner

Week 3-July 24-27, M-Th, 8:30 am– 11:30 am

Week 3 of this camp students will enjoy our time outside with a couple of nature walks and games. Instructors will be showing our learners, the need for spending quality time with God at a personal level and learning how to do personal devotionals. The key characteristic trait will be focused on Respect and how that plays into our daily obligations as a believer and young person. From our behavior, relationships, and environments we will have activities that explore the delight we can find when we bring a high level of respect to all areas of our lives. Through the scriptures we will investigate how Jesus shows honor and respect to all people. We will end this week with an ice-cream social.

Completed Grades: 5-6

Location: MS Circle

Completed Grades: 5-11

Location: SLC Circle

Fee: \$400 for week 1 or \$700 for both weeks

A 2-week series of vocal, acting, dance, audition prep, and mentorship classes that culminates in a showcase for family and friends. Classes will be taught by instructors who have experience performing and teaching youth in their field of study. Participants will split into two levels: Middle and High School. All participants will combine for the Mentorship and Group Number classes. The first four days of camp (days 1-4) will follow a “technique” theme, with an emphasis on understanding and exhibiting the fundamentals of each genre of theatrical performance. The following three days (days 5-7) will follow an “audition preparation” theme that utilizes the fundamentals demonstrated the week prior to prepare students for theatrical auditions. There will be a practical mock audition the following day (day 8), and the camp will close with a showcase for friends and family on day 8. Students may register for either one or both weeks of camp, keeping in mind that there is only one showcase at the end of Week 2.

Dusting off the Summer Math Dust

Week 1-July 17-20, M-Th, 12:30 pm – 2:30 pm

Completed Grades: 5-6

Location: MS Circle

Fee: \$150

As this group of student's future Math teacher, the students can see what their new Math class will look like. The first day will be spent walking them through what a regular day in sixth grade Math will entail. We will cover what they will bring to class, what they will do when they walk in the room, how homework is done, and what they

can expect (this includes a little fun). On the following days, we will continue to practice the daily procedures of a normal class day as we dust off the Math concepts that were learned previously. We will talk about Decimals, Fractions, Multiplying, Dividing, and more.

Instructor: Joshua Wagner

Week 2-July 24-27, M-Th, 12:30 pm – 2:30 pm

Completed Grade: 6

Location: MS Circle

Fee: \$150

Just like a great athlete or musician, practicing Math and doing Math is how you get better at it. As we review, we will have fun games and activities to help loosen up some of those Math muscles before the school year starts. Topics that will be covered include: Decimals (Adding, Subtracting, Multiplying, and Dividing), Percentages, Fractions (Adding, Subtracting, Multiplying, and Dividing), and more. I will give the students practical helps in how to succeed in their math class like studying skills and note-taking.
